

BRITISH INTERNATIONAL SCHOOL RIYADH

THE USE OF MOBILE PHONES

AIM

To provide a clear policy on the use of personal electronic equipment, mobile phone and laptop computers.

GENERAL PRINCIPLES

The School whilst preferring that pupils do not bring to school mobile phones, personal electronic equipment (iPods, MP3 players, CD players, etc) and laptops, adopts a policy of responsible use.

The School accepts no responsibility or liability for the loss, theft or damage to the items cited above. Pupils bringing these items to school do so at their own risk.

Parents and pupils will be regularly advised of the School's policy on the use of these items and that the School will not be held liable for their loss, theft or damage.

The use of a photographic facility on a mobile phone by a pupil without the prior consent or permission of a member of staff will be a serious offence.

On arrival at school all mobile phones should be switched off and stored securely in bags or pockets. Mobile phones should only be switched on as pupils are leaving school at the end of the school day.
